STRENGTH

★ Problem Solving skills

I acquired my strong problem-solving skills by Improving my technical knowledge, research, practice solutions, Look for opportunities to solve problems, Collaborate with my team, analysis skills and decision-making.

★ Interpersonal Skills

I developed my interpersonal skills by Cultivating a positive outlook, Controlling my emotions, acknowledging others' expertise, showing a real interest in my colleagues, finding one good trait in every co-worker, practicing active listening

PASSIONS

♥ TRAVELING

Traveling helps me to relax my mind and discover new design ideas from nature

♥ LISTENING TO MUSIC

happy music with high emotions increases my creativity.

♥ PHOTOGRAPHY

Photography strengthens my ability to consider composition, or the formal relation of elements in an image.
